

Unisex and lightweight this adult sized folding bike offers portability without compromise

The Lynx has been specifically designed by Powacycle to fulfil the needs of a wide range of cyclists from business commuters to the leisure cyclist. The Lynx folds in seconds allowing easy compact storage at home or for those times when you want to take the bike out into the country in the boot of your car.

Although weighing in at only 20kg the Lynx is no lightweight when it comes to performance, it's 180W Intelligent brushless motor offers a top speed of over 12mph without pedalling. Independent tests have shown that with gentle pedalling the Lynx's 24V Li-Pol battery will take you up to 33 miles on a single full charge.

With an adjustable saddle height range of 74 - 94cm the Lynx can easily accommodate most adults making it a true all-rounder for him and for her.
