Li-Pol
Battery

A lightweight, adult sized electric bike with Lithium Polymer battery power

The Salisbury LPX boasts a strong lightweight aluminium frame and weighs in at only 22kg including battery, but the Salisbury is no lightweight when it comes to performance, it's 200W Intelligent brushless motor offers a top speed of over 12mph without pedalling. Independent tests have shown that with some gentle pedalling the 26V Li-Pol battery will take you up to 37 miles on a single full charge.

With 26" wheels, an adjustable saddle height range of 88 - 96cm and a handlebar height range of 102 - 111cm, the Salisbury is suitable for most adult male riders.

- Lithium Polymer Battery
- Aluminium Frame
- 27-37 Mile Powered Range
- 2 Year Warranty*
